

## Chapter 1 : Lisa Patterson

Maybe what I learned will only reduce your migraines. Meds are usually too late. The therapy hadn't cured the migraines but given an oxygen canister and a mask patients in the middle of a painful migraine experienced genuine improvement in their condition. Or where I would be dealing with customers. But Triggers Are Part Of A Dangerous Migraine Myth The medical profession is united in one thing: they admit they don't properly understand the causes of migraines.
