

Just like a candle lights up a room, this article was written with the intention of

[www.theayurvedaexperience.com](http://www.theayurvedaexperience.com) It was our decision to write so much on

[www.theayurvedaexperience.com](http://www.theayurvedaexperience.com) after finding out that there is still so much to learn

on [www.theayurvedaexperience.com](http://www.theayurvedaexperience.com). We did not write too elaborate an article on

[www.theayurvedaexperience.com](http://www.theayurvedaexperience.com) as it would be then difficult for the common man

to read it. We have written this article in such a way that everyone will be able to read

and understand it! Revision is very important when writing or speaking about a topic.

We had a lot of drafting to do to come to this final product on

[www.theayurvedaexperience.com](http://www.theayurvedaexperience.com). We had written this article in the intention of

providing as much information on [www.theayurvedaexperience.com](http://www.theayurvedaexperience.com) as possible.

Hope we met this objective. [www.theayurvedaexperience.com](http://www.theayurvedaexperience.com)
